BYRON CENTER CHAMBER OF COMMERCE

Business Directory & Community Guide 2025

BRINGING BUSINESSES AND COMMUNITY TOGETHER

Meet Brooke

The instant Brooke saw the tree-lined home site, she knew she would build her dream house there. Her vision for a traditional yet coastal home came to life during her appointments at the Home Creation Studio, but the real magic happened once construction began. Slowly but surely, the unique details she dreamt about, like her built-in bookshelves, vaulted ceilings, white hood range, and natural wood open shelving, came together to create a light-filled, cozy space. Each room of the house reflects the members of the family: Brooke's walk-in closet with cheetah print carpet, her daughter Hadley's bedroom with "Hello" playfully hung on the wall, and her husband Craig's spacious at-home office.

Increase your visibility in the community

As a new member of the chamber, you will be listed in the chamber business directory, be given the opportunity to appear in our Tuesday @ 10, tagged on Facebook and can have the opportunity to be mentioned in other chamber publications. You also can grow your business by advertising with the chamber and sponsoring events.

Membership brings credibility to your business

According to a recent study, consumers are 63% more likely to utilize products and services from businesses that are members of their local chamber. You can increase positive perception among consumers and business owners when you're identified as a member of a chamber of commerce.

Make business contacts

The chamber's fundamental mission is to generate more business activity for the community. The chamber initiates more business-to-business commerce and more opportunities for networking and connecting local professionals than is available through most other local organizations.

Promotion and publicity

With a chamber membership, you can reach potential clients through member exclusive advertising and opportunities for business-to-business advertising and publicity.

Acquire customer referrals

Every day, your local chamber receives calls from individuals and businesses looking for potential vendors, and chamber members typically recommend chamber members.

Create networking opportunities

Chambers have numerous committees and serving on one of them provides numerous networking opportunities as well as professional leadership development. You can build your business while promoting developments of keen interest to local businesses and the community at large.

BRAVE THE SHAVE

Grand Rapids, MI

Brave the Shave, established in 2022, supports families dealing with childhood illness in Western Michigan by directly assisting them and raising awareness. Instead of focusing on research, the organization helps families by covering expenses like groceries or providing outings during medical visits. **Through partnerships with Helen Devos Hospital's resource teams and social workers from PORT and AYA**, **Brave the Shave offers personalized care to ease financial burdens,** allowing families to focus on their child's health.

The Little Moments Can Make the Biggest Impact

As a parent, it's hard enough to watch your child struggle. Watching the unexpected bills pile up makes it even more challenging.

At Brave the Shave, we know that the small stressors add up to a massive burden. By donating to our Family Support Fund, you can help us alleviate some of those small stressors and allow families to remain present for their children.

Your support can help families pay for:

- Lodging during medical visits
- Utilities and other home expenses
- Hefty hospital bills
- Dinner gift cards or grocery delivery
- Comfort items for the patient and/or family

Whatever the need, we need YOU to help us fill it.

Easing the burden for families experiencing chronic or serious childhood illness
