# Board of Directors

Dear Community Member,

It is with great pride that I welcome you to this year's Community Business Directory. This publication represents more than just a list of businesses, it's a reflection of a thriving, connected, and growing community.

Our Chamber continues to experience steady growth, mirroring the momentum we see throughout our community. New businesses are opening their doors, established businesses are expanding, and partnerships are forming that strengthen our local economy. This progress is the result of collaboration, innovation, and a shared commitment to supporting one another.

When you choose to support local businesses, you are doing far more than making a purchase. You are investing directly back into the community. Locally owned businesses create jobs, support local organizations and schools, sponsor events, and help maintain the unique character that makes our community a great place to live, work, and do business. Dollars spent locally circulate locally, fueling growth, opportunity, and long-term sustainability.

The businesses featured in this directory are proud members of our Chamber and dedicated partners in our community's success. They represent a wide range of industries, services, and talents, all united by a commitment to excellence and community involvement. We encourage you to use this directory as a resource, make connections, and discover the many ways our local businesses serve and support you.

Thank you for being part of a community that values connection, collaboration, and progress. Together, we are building a strong foundation for today and a promising future for generations to come.

With gratitude and optimism,

Shannon Schram

## ENVISION | PAYROLL

Save time, stay compliant, and keep employees happy. Our award-winning cloud-based payroll/HR software is backed by a friendly dedicated Payroll Analyst. No more call center runaround. What began as a two-person shop on Michigan's east side has grown into a statewide partner serving restaurants, healthcare practices, nonprofits, and professional firms across Michigan and beyond.

Milestones include launching our 401(k) Pooled Employer Plan, adding pay-as-you-go workers' comp, and rolling out a full HCM suite powered by isolated\*. Yet one thing hasn't changed: every client still gets a direct dial to a named payroll analyst who knows their business inside and out.

Byron Center, MI 49315

**616-583-9000**

Investing involves risk including the potential loss of principal. No investment strategy can guarantee a profit or protect against loss in periods of declining values. Depending on one's individual situation, a fee based account may not be suitable for all investors. Please determine the most appropriate financial account given your financial circumstances.

# BRAVE THE SHAVE

West Michigan

**Brave the Shave, established in 2022, supports families dealing with childhood illness in Western Michigan by directly assisting them and raising awareness. Through partnerships with Helen Devos Hospital's resource teams and social workers from PORT and AYA, Brave the Shave offers personalized care to ease financial burdens, allowing families to focus on their child's health.**

## The Little Moments Can Make the Biggest Impact

As a parent, it's hard enough to watch your child struggle. Watching the unexpected bills pile up makes it even more challenging.

**At Brave the Shave, we know that the small stressors add up to a massive burden. By donating to our Family Support Fund, you can help us alleviate some of those small stressors and allow families to remain present for their children.**

### Your support can help families pay for:

- Lodging during medical visits
- Utilities and other home expenses
- Hefty hospital bills
- Dinner gift cards or grocery delivery
- Comfort items for the patient and/or family

**Easing the burden for families experiencing chronic or serious childhood illness**

**Whatever the need, we need YOU to help us fill it.**
